

TITAN X PRO

REAR-FACING SEAT

> REFINED PLASTIC SEAT KIT

Designed with passenger comfort in mind, featuring a built-in cupholder, a supportive footboard, and a sturdy deckboard for added stability and ease.

> STAINLESS STEEL HARDWARE

Built to withstand the elements and the test of time.

> STANDARD DROP-IN BUCKET

Modular and blow-molded design with expanded capacity—now holds up to 48 cans for maximum convenience and versatility.

> ERGONOMIC FOOTREST

Thoughtfully angled near the toes to gently guide the foot backward, enhancing comfort and providing a greater sense of stability for passengers.

TITAN X PRO

REAR-FACING SEAT

The Titan X Pro Seat Kit is a transformation in rear seats with a matte finish, stainless steel hardware and new ergonomic footrest. This seat kit comes standard with drop in bucket and handrail.

Seamless Integration, compatible with all E-Z-GO seating integration!
